1 We, [REDACTED] and [REDACTED] hereby declare that: (b)(7)(C)

2 We are both residents of Bakersfield, California. We were hitch-  
3 [REDACTED] hicking one night on North Chester Avenue in front of the Museum when  
4 we were picked up by three Teamsters in a Lincoln Continental. They  
5 dropped us off at Linda Vista and North Chester.

6 They started to talk to us and said they were staying at the  
7 Eden Rock Hotel. They said they were Teamsters. We did not even  
8 know at that time what a "Teamster" was. They said they were here to  
9 "knock some wetbacks' heads in" then they also said that they were  
10 "going to make some other wetbacks work in the fields in the sun so  
11 they would get strokes and die." They said they had just gotten  
12 into town and that "they had been sent here" after having some big  
13 meetings. They wanted us to wear a Teamster button and they said that  
14 Darlene should be a Teamster.

15 They told us to watch the news the next day and we did and like  
16 they had said there was going to be violence and heads bust open  
17 sure enough the news reported some incidents between Chavistas and  
18 Teamsters. We didn't know much about it until the other night when  
19 we heard about the violence and they were accusing the Farmworkers  
20 Union of starting the violence. That is not true because we heard  
21 the Teamsters talking about it before the whole thing started and the  
22 Teamsters had it all planned.

GENERAL INVESTIGATIVE DIVISION

The attached concerns a new Civil Rights matter reported to our Sacramento Office involving allegations by some 30 farmers in Kern and Tulare Counties, California, charging the United Farm Workers Union (UFW) with violating their civil rights and the civil rights of their workers.

On 8/20/73, an attorney representing the various growers made available approximately 100 affidavits to the Bakersfield Resident Agency relating to acts of violence on part of the UFW. The FBI is requested to investigate UFW for conspiracy to violate rights of the growers in that the UFW has conspired to commit violence in violation of the right of farm laborers to work and growers to maintain and harvest crops.

The Sacramento Division has investigated several civil rights allegations wherein members of the UFW have alleged their rights have been violated by members of the Kern County Sheriff's Department and by the grape growers. These cases grew out of the current strike in the grape fields involving the UFW and Teamsters Union.

This case will be discussed with the Civil Rights Division, U. S. Department of Justice, and no investigation will be conducted unless specifically requested by the Department.

UNIDENTIFIED DEPUTY SHERIFFS,

UNITED FARM WORKERS UNION -  
COMPLAINANT

b7c it was reported that Deputies of the Montgomery County Sheriff's Office (MCSO), Dayton, Ohio, had arrested 23 members of the United Farm Workers (UFW) union for disorderly conduct on Saturday night, November 2, 1974, after they were stopped from picketing Fazio's Food Market, 5725 North Dixie Drive, Dayton, Ohio, where they were urging customers not to buy table grapes or head lettuce.

An unidentified spokesman was quoted as saying the UFW had picketed the store several times during the past six weeks and the incident came at the end of a five-day union organizing workshop, including members from Dayton, Columbus, Toledo, Akron, Cleveland, and Cincinnati, Ohio.

The story stated pickets had been ordered by Montgomery County Sheriff's Office Deputies at about 7:00 p.m. to leave the area when officers began arresting persons in the group.

A Deputy Sheriff was quoted as saying that the pickets were "clapping, chanting, and raving." A spokesman for Fazio's Market reportedly stated that the pickets were disturbing the peace.

The newspaper story stated that b7c said before the arrests that Fazio's was being picketed because the chain continues to market non-UFW grapes and lettuce. It was also reported that b7c had recently fasted fourteen days in Cleveland, Ohio to protest Fazio's sale of Gallo wine and produce not picked by UFW members.

On November 4, 1974, the Dayton Daily News reported that UFW pickets arrested November 2, 1974 had entered pleas of not guilty and trial had been set for 9:30 a.m. in Municipal Court.

[REDACTED] b7c  
[REDACTED] he had sent a telegram to the Ohio State Attorney General seeking an investigation of "reckless, high-handed, and illegal behavior of the management of Fazio stores and the Montgomery County Sheriff's Office," in connection with the arrests.

The UFW, according to the story, claimed that Fazio's conspired with the Montgomery County Sheriff's Office to violate the civil and Constitutional rights of UFW pickets by illegally taking away their right to free speech.

[REDACTED] b7c  
[REDACTED] b7c  
The story went on to say that [REDACTED] b7c [REDACTED] had identified [REDACTED] as the deputy who "without any provocation, maliciously smashed the window of a UFW van, threatened people in a careless and dangerous manner with a gun and club, and showed all the outward signs of drunkenness, including alcohol on his breath and reckless, disorderly conduct."

[REDACTED] b7c

[REDACTED] as saying he had done nothing wrong. It was reported that [REDACTED] had broken a window in a UFW van, but claimed this was because UFW members backed up the van and he had bruises on his hand and shoulder to prove it. He denied pointing a gun, but his account of the incident was disputed by UFW.

The Dayton Daily News, on November 6, 1974, stated "Boycott Director David Koehler said today that the UFW has asked for an investigation by the FBI and the U.S. Department of Justice...."

Federal Bureau of Investigation (FBI) Headquarters, Washington, D.C., advised on November 6, 1974 that a telegram had been received which was signed

b7c

[REDACTED] The telegram requested an immediate investigation of events surrounding grape and lettuce boycotts at Fazio's Supermarket, Dayton, Ohio, November 2, 1974, and claimed that Fazio's management had conspired with the Montgomery County Sheriff's Office to violate civil and Constitutional rights of peaceful UFW pickets by illegally taking away their right of free speech.

The telegram went on to say that UFW members and supporters had been arrested in a totally arbitrary manner, based not on law, but on discrimination, management bias, and vindictiveness; that peaceful demonstrators had been arrested in the process of dispersing, some of whom were pulled from a van while trying to obey officers' orders to leave the scene.

The telegram stated that one deputy, without provocation, maliciously smashed the window of a UFW van, threatened people in a careless and dangerous manner with a gun and club and showed all outward signs of drunkenness, including alcohol on his breath and reckless, disorderly conduct.

The telegram expressed hope for an early response.

After prior efforts to contact [REDACTED] b7c through the telephone listed to the UFW at Dayton, Ohio, he was contacted by telephone on the morning of November 7, 1974 by a Special Agent of the FBI, at a church in Vandalia, Ohio. [REDACTED] stated he was preparing to leave for a 9:30 a.m. court appearance; however, he agreed to recontact the Agent later that day.

During the early afternoon on November 7, 1974, [REDACTED] telephonically contacted the Dayton FBI Resident Agency. b7c He said that all charges against the UFW pickets have been dropped by the prosecution at their court appearance. Additionally, he stated telegrams to the FBI and the United States Department of Justice had been sent previously by him in the belief that the UFW was being denied the right to picket.

Since charges were dropped and since lines of communication with the Montgomery County Sheriff's Office had been established, he said, the UFW desired to withdraw any complaint made to the FBI and the United States Department of Justice. [REDACTED] did not desire to come to the FBI Office for further discussion of the matter, he said.

b7c

The Journal-Herald on the morning of November 8, 1974, reported that disorderly conduct charges against UFW pickets were dropped during a hearing in Municipal Court on November 7, 1974.

It was further reported that an agreement had been worked out between the Montgomery County Sheriff's Office, Fazio's Market, and the UFW.

About fifty UFW members and supporters immediately went back to the store where they had been arrested and set up a picket line for about an hour, during which time, there were no incidents, according to this newspaper.

The El Paso District 4 of the League of United Latin American Citizens (LULAC) is demanding investigation into the arrest of the United Farm Workers (UFW) Union workers in Pecos, Texas. LULAC alleges several violations of the laws of the State of Texas. These alleged violations are as follows:

UNKNOWN MEMBERS OF UNITED FARM WORKERS UNION

From the El Paso Herald-Post, July 28, 1975:

## Farm workers' rights statement is planned

Mrs. Belen Robles, chairman of a League of United Latin American Citizens (LULAC) committee which went to Pecos, Tex., yesterday to investigate farm workers' rights, said today a statement about the trip will be released after she discusses it with the national LULAC president.

"Our national president, Manuel Gonzalez of Waco, was in Arizona yesterday," she said. "I am trying to reach him today to discuss our findings before releasing any statement."

A 15-MEMBER committee from LULAC District 4 went to Pecos after hearing

that civil rights of striking farm workers had been violated last Thursday.

Specific problems cited were the arrest of children and their detention in facilities with adults, alleged refusal of the Reeves County sheriff to accept bond from a recognized bondsman, and the question of whether the area where workers were arrested for trespassing was marked "no trespassing" after their arrest rather than before.

Ralph Murillo is director of District 4. In a statement before the trip, he pointed out that the district has "unanimously endorsed the efforts of the United Farm Workers in Pecos."

UNKNOWN MEMBERS OF UNITED FARM WORKERS UNION

From The El Paso Times, July 29, 1975:

## *LULACS' Pecos Report Alleges Law Violations*

Some evidence of violation of civil rights was reported uncovered in the investigation by members of District 4, League of United Latin American Citizens, LULAC, who went to Pecos Sunday to probe into the wholesale arrest of farm workers by police authorities there.

Ralph Murillo, an executive of the Small Business Administration here and LULAC district director, was among a group of 15 LULACs who conducted the probe.

Murillo said the committee was divided into three groups on arrival and spent the day questioning the farm workers involved including sheriff deputies who made the arrests.

"I was told the group also found evidence of state law violations," Murillo said.

He said the three groups Monday were preparing their reports. He said a formal statement will be issued as soon as all the information is compiled and is carefully studied. He said it probably will take two days before all information is put together.

Some 19 adults and eight juveniles conducting a peaceful demonstration, were arrested on alleged charges of trespassing last Thursday by Reeves County deputy sheriffs.

In an earlier statement, Murillo charged LULAC based on the events that took place "must condemn the outright violation of civil rights and the inhuman and unlawful acts of the Sheriff of Reeves County."

LULACS have gone on record supporting legislation allowing the unionization of farm workers.

## Farm Workers Back In Field

PECOS (Staff) — United Farm Workers union members and sympathizers were back in the Balmorhea-Saragoza area today for the second day in an attempt to organize melon pickets on farms in the area.

Rosalie Saragoza, a volunteer for the union said there were 30-40 persons in the area. Among them was organizer Tony Orendain, she said.

Miss Saragoza said two bomb threats had been received at the UFW office here "and it is of great concern to us. They threatened to blow us to bits."

"I have two small children with me. One of the organizers here received the threat," she said. She said she did not talk to the caller.

She said the roadway where the picketing members were Monday was flooded in an effort to evict them from the area. She said she did not know the specific area.

Pecos County Sheriff's Deputy Bill Mabe said no one from that office was in the field today.

investigation of alleged illegal actions against farm workers trying to unionize at Pecos, Tex.

Mrs. Robles headed a District 4 LULAC committee that went to Pecos last week to study the situation. She conferred with the national president, Manual Gonzalez of Waco, who asked Bonilla to look into the matter as a member of the national advisor's legal staff.

BONILLA'S sister, Mary Helen Bonilla, is legal advisor to LULAC but was busy with another case. He represents her in the Pecos matter.

Originally the District 4 committee hoped that Bonilla would be able to visit Pecos personally this week. He had court obligations and told Mrs. Robles he would keep in touch to see whether he might get to Pecos in a few days.

LULAC District 4 Director Ralph Murillo said last week, in demanding an investigation into arrest of United Farm Workers organizers at Pecos, there were several apparent violations of law. He cited the arrest of children and placing them in facilities with adults, refusal of the Reeves County sheriff to accept bond from a recognized bondsman, and questions about the charge of trespassing as examples of possible illegalities.

## Farm Worker Sympathizers Arrested In Pecos County

Special To The El Paso Times

FORT STOCKTON, Tex.—A group of 14 United Farm Worker Union sympathizers were released on bond from Pecos County jail here after being arrested early Friday morning for trespassing, Pecos County Sheriff Charles TenEyck said.

A total of 42 UFW supporters have been arrested for trespassing since Wednesday after they began a campaign in Reeves and Pecos counties to get area laborers to support their movement.

TenEyck said eight men and five women were arrested about 7 a.m. Friday when they drove onto a private road on the Mike Burkholder farm about two miles south of Coyanosa, Tex., off County Road 1776.

"Everything was peaceful, just like Thursday," TenEyck said. "But they drove past some posted signs and that is all there was to it."

The picketers were charged with criminal trespass about 9 a.m. before justice of the peace Tillie Cook.

TenEyck said the prisoners were released on a \$400 bond posted by a representative of the Warren Burnett law office of Odessa.

After nearly a month in the Reeves-Pecos counties area the UFW efforts have not only been dampened by cool weather and rain, but this week they have met with costly arrests and some reluctance from the field workers they are striving to unify. Workers failed to leave the fields Thursday and Friday, although 250 did come from one field in Reeves County Wednesday.

"Many (workers) don't join the movement because they do not want to lose their contacts with the growers," said UFW leader Antonio Orendain. "The workers keep telling us they are already making \$2 an hour and that they need to make the money so they can go back to the (Rio Grande) Valley."

Orendain said he was at another picket line when the arrests were made Friday, but upon inspecting the site shortly afterwards he said no private property signs were visible.

"But," he hastily added, "two or three hours after the arrest there were three signs up."

TenEyck disagreed and said his deputy told him they personally took note of

red on black signs. "This group went off on their own and had no advisement about public or private property lines," he said. Sheriff's deputies at the Thursday Coyanosa pickets did indicate to the demonstrators the line separating public from private property. One trespassing arrest was made however.

Some 27 sympathizers were arrested Wednesday at a picket near Verhalen in southeastern Reeves County. All picketers are now free on a \$400 cash bond each, Orendain said.

## E.P. LULAC demanding Pecos probe

Dist. 4, League of United Latin American Citizens today announced it is demanding an investigation into the arrest Thursday of United Farm Workers Union organizers in Pecos, Texas.

Ralph Murillo, director of District 4, released a statement:

"BASED ON THE recent event which took place in Pecos, Texas, District No. 4, League of United Latin American Citizens must condemn the outright violation of civil rights and the inhuman and unlawful acts which took place under the direction of the Sheriff of Reeves County, Texas, on Thursday.

"Specifically, LULAC feels that Title 3, Section 54.03 of Chapter 54 of the Texas Family Code was completely violated by arresting children and placing them in the same facility with adult criminals. "The Sheriff of Reeves County deliberately refused to accept bond from a recognized bondsman of the state of Texas, a violation of our state laws.

"Although it appears that the rights of the United Farm workers were violated, we are reserving comment on these matters until a complete investigation is conducted.

**LULAC DISTRICT 4**, has unanimously endorsed the efforts of the United Farm Workers in Pecos, and has taken the following steps to try to assure that the laws of this country are carried out in the proper manner.

"One: A special committee headed by Belen Robles, national vice president of Southwest LULAC, will begin immediately an investigation into the matter. Two: LULAC District 4 will seek further action from our state and national offices.

Three: LULAC Dist. 4, will demand that the Attorney General of the State of Texas immediately porceed to investigate and correct the absence of justice in Pecos. Four: LULAC No. 4 will seek assistance from Gover. Dolph Briscoe, U.S. Sen. John Tower and Lloyd Bentsen, the U.S. Attorney General and the Office of Civil Rights."

Murillo said that a group of 20 to 29 United Farm Workers — including men, women and children — were conducting a peaceful march when they entered private property, according to the Sheriff, and were arrested for tres-passing. The workers maintain that the signs warning of tres-passing were posted after they had been arrested.

From the morning newspaper, The El Paso Times,

## El Paso LULACs To Probe Charges Of Rights Violations

A 15-member investigating committee from the El Paso district of League of United Latin American Citizens will travel to Pecos, Tex., Sunday to probe charges that civil rights of striking farm workers have been violated.

The LULAC committee is headed by Belen Robles, and will include district director Ralph Murillo.

In a statement issued Saturday, the local LULAC district condemned "the outright violation of civil rights and the inhuman and unlawful acts which took place under the direction of the sheriff of Reeves County, Tex."

"Specifically," the statement continued. "LULAC feels that title three, section 54.02

of the Texas Family Code was violated by arresting children and placing them in the same facilities with other criminals. Furthermore, the sheriff of Reeves County deliberately refused to accept bond from a recognized bondsman of the State of Texas, a complete violation of our state laws."

The LULAC statement refers to events of July 23, when Reeves County deputies arrested 19 adults and eight juveniles on trespassing charges.

Murillo said the LULAC committee will attempt to talk to deputies as well as the farm workers.

LULAC supports legislation allowing the unionization of farmworkers, Murillo said.

From the Odessa-American July 25, 1975:

**FORT STOCKTON (Staff) —** Thirteen persons, including United Farm Workers union sympathizers and two Austin men who were filming a documentary, were arrested by Reeves and Pecos County sheriff's deputies on a private road about three miles southeast of Coynosa this morning in the third straight day of flareups between lawmen and union sympathizers.

Peace Justice Tillie Colk of Fort Stockton was expected to have charges of criminal trespass filed with her against the 13 persons and bonds of \$400 on each person were expected to be set later today.

Pecos County Sheriff Pete Ten Eyck said that the 13 were arrested shortly after 7 a.m. today on a private road at the Jim Burkholder farm after the sympathizers got out of their cars in preparation to talk to cantaloupe pickers working in the fields nearby.

Ten Eyck said the 13 were arrested "as soon as they got out of their cars."

Jim Harrington, an attorney from Hidalgo who has been observing the union action for the past several days, said the lawmen "pushed around" those arrested before loading them into the seven or eight patrol cars sent to the scene.

Among those arrested were Roger Manne and Andy Snyder, members of an Austin crew filming the action for a documentary.

"They grabbed hold of them and took Roger's tape recorder away from him," Harrington said, though he believes the camera was not confiscated.

Ten Eyck said no recording or filming equipment was confiscated but did say two men "who were down there filming everything," were arrested along with the 11 others.

Harrington said two juvenile girls were also arrested, but Ten Eyck denied the charge.

"They were picked up in the middle of a public road, as soon as they got out of their cars," Harrington said. "They didn't have time to do anything."

Ten Eyck said the road was a private drive to the Burkholder Farm.

Harrington said the lawmen were "divided about evenly" between Reeves and Pecos County deputies, but Ten Eyck said most of the men were from Pecos County and "only a couple" were from Reeves County.

Deputies in both counties have been taking a tough stand against the demonstrators after 27 persons including eight juveniles were arrested early Wednesday on a farm near Verhalen, south of Pecos in Reeves County.

All 27 have been released, with the last 18 being released

on bonds by Odessa attorney Warren Burnett Thursday. Burnett has been retained to defend all those arrested and said today that he or someone from his office will be driving to Pecos this morning.

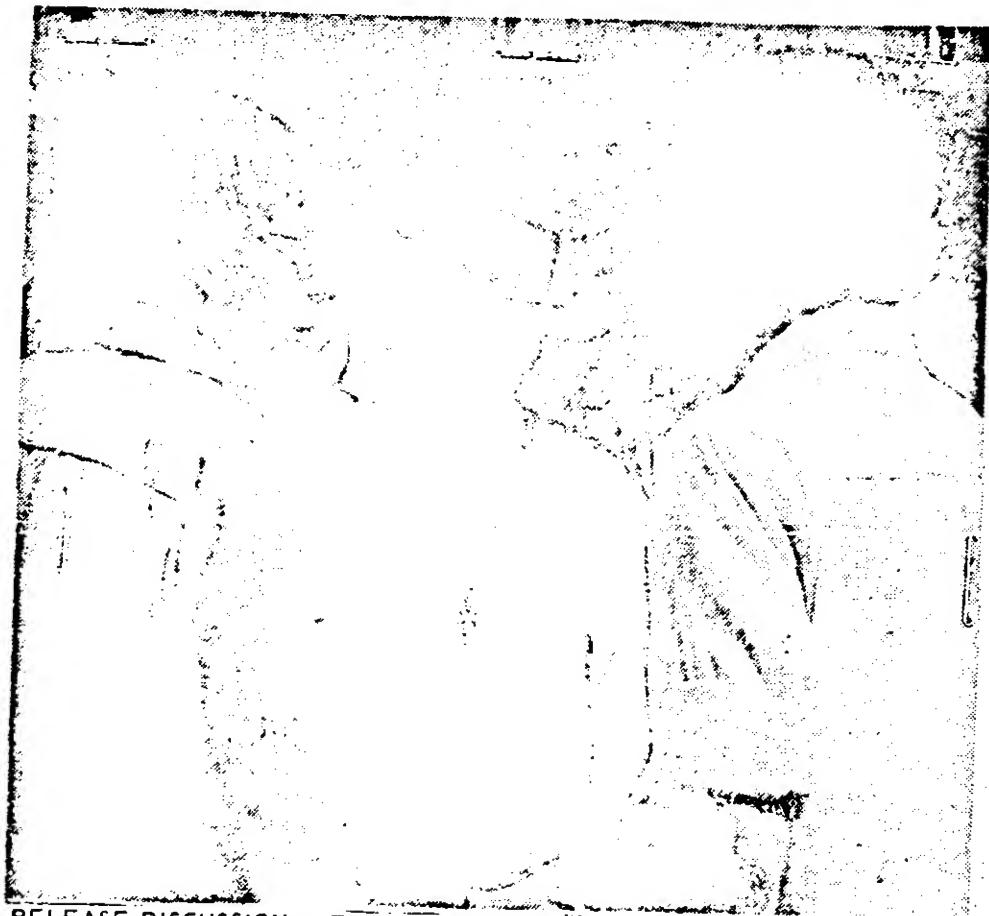

Ten Eyck said "there were workers out in the fields" this morning "but none of them came over to see what was going on" when the 13 persons were arrested.

Harrington said two or three of the persons arrested this morning were arrested in the group of 27 persons Wednesday and had just been released from jail Thursday.

Ten Eyck said he didn't know if any of those arrested in his county this morning had been arrested before or not.

They are (L-R) Warren Burnett, the Odessa attorney retained to defend those arrested; Tony Orendain, leader of the Texas UFW organizing effort in the

Pecos area; and Kirk Purcell, a law student working in Burnett's office for the summer. Meanwhile, the work of the three men was not over since 15 more persons, including two Austin men filming a documentary, were arrested near Coyanosa in Pecos County early this morning.

**After 40 Arrested...**

## **Union Farm Hands Leave Area Fields**

FORT STOCKTON (Staff) — Union picket dropped out of sight here Friday afternoon after 13 persons were arrested early Friday morning on criminal trespass charges and later released on \$400 bond each.

Pecos County Chief Deputy Sheriff Mike Hill said members of the United Farm Workers dispersed about noon Friday.

Hill said he thought the union pickets moved back to Pecos in Reeves County where the picketing started Wednesday with the arrests of 27 persons.

The Reeves County Sheriff's office said Friday night they had no new confrontations with the pickets during the afternoon.

Three Reeves County deputies assisted the Pecos County Sheriff's office with the pickets Friday morning at the Jim Burkholder farm near Coyanosa.

The pickets were charged with criminal trespass about 7 a.m. Friday on a private road at the Burkholder ranch.

The pickets are trying to organize cantaloupe pickers during the harvest now underway.

Deputy Hill said the picking that just started this past week would probably continue for another six weeks to two months.

Hill said he doesn't know if there would be other confrontations Saturday, but he said he is sure workers will be out in the fields picking cantalope through the weekend.

"The melons are ripe now, and they can't be left there just because the weekend's here," Hill said.

Hill said authorities in Reeves and Pecos County usually have some indication what may be in store for the respective counties late the night before.

"If we need help over here, or they need help in Reeves County, we usually know late the night before and have our men at the farm being worked by dawn," Hill said.

The pickers left the Burkholder farm and moved on to another one near Coyanosa Friday afternoon, Hill said.

"But the union pickets didn't follow the pickers Friday afternoon," Hill said.

On December 16, 1966, a source who has furnished reliable information in the past, advised he had received revised information from a source that he considers reliable relative to a caravan by the National Farm Workers Association (NFWA) which was originally to have started in Houston, Texas, on December 17, 1966, and to have terminated in Rio Grande City, Texas, on December 19, 1966. Source stated that the revised information reflected that there would be two automobile caravans involved in this activity, one of which would originate at Houston, Texas, and the other in Austin, Texas.

The Houston caravan is to form at Sacred Heart Cathedral, Houston, at 7 a.m., December 17, 1966, and depart for Victoria, Texas, where at 12:30 p.m., there will probably be a rally at Lady of Sorrows Church. It will then proceed to Corpus Christi, Texas, where it will be located at Steelworkers Hall, 2325 Agnes at 7 p.m., on the same date.

The Austin group is scheduled to form in the vicinity of the State Capitol in Austin and depart at 9 a.m., December 17, 1966, for San Antonio, Texas, where a rally is to be held at 12 noon in Cassiano Park. From San Antonio it will proceed to Beeville, Texas, where a rally is scheduled for St. James Parish Hall at 3:30 p.m. From there it is to proceed to Corpus Christi, Texas, where it will join the Houston group at the Steelworkers Hall at 7 p.m.

UNITED FARM WORKERS SOLIDARITY COMMITTEE

67D

On May 14, 1975, [REDACTED] that sometime during the afternoon of May 15, 1975, members of a local New Orleans organization known as the United Farm Workers Solidarity Committee would picket the federal building at 701 Loyola Avenue, New Orleans, to protest United States intervention in Cambodia. This organization is the New Orleans affiliate of a national group known as the United Farm Workers of America, which organization is headed by Caesar Chavez and has been involved in calling for the national boycotts of lettuce and grapes.

At approximately 1:15 p.m. on May 15, 1975, 18 individuals consisting of males and females were observed to picket in front of the federal office building at 701 Loyola Avenue, New Orleans.

These pickets consisted of approximately six blacks and the remaining persons were white. They carried placards which read "JOBS NOT WAR" and "GET OUT OF CAMBODIA."

The picketing was orderly in nature and was kept under observation by building guards.

The picketing continued until approximately 1:45 p.m., at which time the pickets gathered their signs and left the area.

No incidents were observed or reported; however, during the picketing interviews of observers as well as some of the pickets were conducted by a local television station.

OCTOBER 1972  
CIVIL UNREST

On October 5, 1972, [redacted]

b7c

[redacted] advised there is currently developing a situation which could result in violence between the United Farm Workers (UFW) and the Florida Sugar Cane Growers. The UFW is a National Labor Union led by CESAR SHAVEZ, who has gained national attention in the past for a "grape boycott" in California, which he organized. The largest company of the Sugar Cane Growers is United States Sugar Corporation headquartered in Clewiston, Florida. Emotions will probably run very high and violence could occur over labor organizing and the crossing of picket lines.

The principal element of the dispute is the demand on the part of the UFW that the Sugar Cane Growers hire domestic instead of foreign labor. The Sugar Growers have insisted that domestic labor has traditionally refused to work in the cane fields forcing the companies to import Jamaican labor.

According to the September 24, 1972, issue of the "Palm Beach Post-Times" a daily newspaper published in West Palm Beach, Florida, approximately 9,000 workers will be required to harvest the sugar cane for seven companies

including United States Sugar Corporation which have organized into the Florida Sugar Cane League (FSCL). Sugar grown by the FSCL lies principally to the south and east of Lake Okeechobee, Florida. Sugar grown in South Florida represents approximately seven percent of the total sugar grown in the United States. The Sugar Growers have received permission to bring in to the country approximately 9,000 Jamaicans to cut the sugar and they will be paid about \$2.25 per hour on a piece rate basis. Transportation and housing for the Jamaicans is furnished. The principal period of sugar cane cutting is annually from the latter part of October through March.

According to the "Palm Beach Post-Times" the UFW is seeking to obtain up to four to five dollars per hour for domestic labor in the cutting of sugar. The UFW is expected to attempt to get authorization from a majority of the workers to represent them. Since it is expected that the Sugar Growers would reject the union, the UFW would then organize a strike which could be successful only if all workers are willing to refuse to cross the picket lines.

A copy of this memorandum is being furnished to the Secret Service, Miami, Florida, and United States Attorney, Miami, Florida.

The UFWOC has recently been involved in a controversial labor strike of lettuce growers and shippers throughout the State of California. The UFWOC has been the bargaining force for farm laborers in their efforts for better wages and increased benefits. UFWOC has had recent success in signing union contracts with a number of large lettuce and vegetable growers in California.

JANUARY 17, 1973

Approximately 6:15 PM, January 17, 1973, an explosion occurred in the United Farm Workers Co-op gas station, located on Garces Highway, 2½ miles west of 99 Freeway, Delano, California. The station belongs to the United Farm Workers Union (UFWU), an agricultural union headed by Caesar Chavez.

Explosion material was placed outside of the west wall and caused a two foot diameter hole in the 18 inch thick adobe wall, breaking windows in the building and a nearby residence. No injury resulted from the explosion.

Explosion is being investigated by the Kern County Sheriff's Office and the Alcohol, Tobacco, and Firearms Division (ATFD) of the United States Treasury Department.
